Maximise your use of free AI tools, including Copilot and ChatGPT

FREE INNOVATE WEBINAR AT:
Wednesday 26th March 11:00-12:00

Looking to save yourself time?

Improve your output without compromising quality?

Our CTO, Scott Weedon, will discuss his tips and tricks for improving your use of AI tools, including ChatGPT and Copilot.

During the 1hr free training session you will learn:

- How to optimise your AI responses
- How to save yourself time
- How to keep your data and information confidential

Reserve your space at: tmtech.co.uk/copilot-ai-web
