Optimise your use of Word and other Microsoft applications

FREE INNOVATE WEBINAR AT:
Wednesday 21st May 11:00-12:00

Are you maximising your use of Word's advanced features?

If not join Scott Weedon as he talks through how to maximise your use of Word with bonus content from PowerAutomate and Editor.

You will learn: About the advanced features of the M365 suite.

- How to speed up your administration
- How to increase the quality of your work
- How adopting AI could help

Reserve your space at:
